A photograph of a man and a woman standing on a cruise ship balcony, looking out at a cityscape at sunset. The woman is in the foreground, wearing a light blue sweater, and the man is behind her, wearing a green sweater. They are both looking towards the left. In the background, a large, ornate building with a prominent dome is visible, likely a cathedral or government building. The sky is a mix of orange and blue, suggesting dusk. The overall mood is peaceful and scenic.

"Choose your Cruise"

Over the past 5 years our District has cruised to Alaska, the Panama Canal, the Mexican Riviera, Canada/New England and the Western Caribbean. For 2006 we are offering two District cruises. For those who are looking for something different and exotic we have a 7-day Scandinavian cruise. Since our past Alaskan cruises have been scheduled at dates that may have been in conflict with the commencement of school activities we are offering an Inside Passage Alaska cruise on a date that would be well-suited for family travel. So in 2006 we are making it easier than ever to be a part of this wonderful District 5730 tradition. As with all of District Cruises we encourage you to include your friends and family in the fun.

Princess Cruises

Once again you will travel in luxury and comfort aboard the magnificent ships of Princess Cruises. Princess's state of the art ships offer a wide variety of dining, entertainment and onboard activities that will make your cruise far from ordinary. Both the Sun Princess and the Sea Princess are designed to meet the vacation needs of people of all ages. There are activities especially suited for children, teens and adults. There are 3 pools, a spa and fitness area, a sports court, a Casino, 4 lounges, 2 theaters, a library, a video arcade and an Internet Café plus the duty-free shopping, art auctions and much, much more. As with our past Rotary District cruises, Princess offers us great group rates which make these two cruises exceptional travel values.
