

District 5730 upcoming Group Study Exchange Selection Schedule

2007 Exchange with District 4960, Argentina/Uruguay

Travel Schedule

Texas 5730 to Argentina/Uruguay / District 4960 May 1-May 29, 2007. This is a typical GSE team with multi professions. The language of choice is Spanish but English is widely spoken. Spanish would be helpful but not necessary. District 4960 is located in the northeast part of Argentina and borders Uruguay. There are 18 Rotary clubs in Argentina and 6 in Uruguay.

Team selection will be done March 18, 2007.

Note to clubs: There is a sponsorship fee of \$350, payable to District 5730 for the team leader, team members, and alternates selected. This covers the required uniforms, badges, cards, host gifts, some insurance, and other miscellaneous team expenses. There is no cost to the club for applicants. We do recommend that clubs conduct a general interview with applicants a week or so before the formal interviews. This increases the chances for their applicant being selected. Team member applications are available from the address below, on this website, or from Rotary International's website at:
