

Dianne Anderson is District 5730's newest Group Study Exchange team leader. Dianne, a member of the Midland West Rotary Club, will lead the GSE team to the Dominican Republic April-May 2012.

Dianne has been a Rotarian for 12 years. She is a past president of her club, a past assistant district governor in District 5730 and has served on the District's Literacy Committee.

She is well-traveled and is fluent in Spanish.

What's more, Dianne brings a wealth of community involvement to this commitment. She has served on the Midland School Board, been a member of Midland Junior League, Midland County Republican Women, the Midland City Council PTA, Business and Professional Women and has served on the Midland Charter School Board.

"Dianne is an outstanding Rotarian in every sense of the word and we are delighted she has accepted the challenge of leading the next District 5730 team to the Dominican Republic," said 2010-2011 GSE Committee Chairman John Kanelis.

GSE is the Rotary Foundation's program that seeks to foster "good will and better friendships" among people. Dianne will be a major part of the selection process that picks the next GSE team and will prepare the team for its four-week journey to the Dominican Republic next spring.
