Three day inbound orientation was held in August for all five students at Prude Ranch. Activities include horse-back riding, star gazing at McDonald Observatory, touring Ft. Davis plus reviewing all the District rules and answering many questions. Cal & Susan Brints and Ken & Elyn Patterson tried to keep up with the high energy of the five new arrivals.

## **D5730 Hosted D5790 Students in September**

District 5790 brought their four exchange students to Lubbock for a fun filled weekend with the five students in D5730. Activities included touring the Windpower Museum, Apple Country, shopping at South Plains Mall and the Texas Tech football game that night. In addition, many pizzas were eaten after the football game. The students were hosted both nights by Lubbock Rotarians.
