

MIDLAND HIGH SCHOOL INTERACT CLUB

CLUB INFORMATION:

The Interact Club is off to a great start this year! We currently have twelve registered members and many students trickling in for a couple of meetings. In our third year of service, we have already successfully sponsored a children's book drive benefiting Fair Havens in which we have collected more than 1,300 books! Allison Fields and Kimberly Edwards attend the Ethical Leadership Conference in Lubbock. They were sponsored by the Midland Rotary Club.

Our Future Plans for this Year Include:

1. Purchasing wheelchairs (Program is sponsored by the RI District 5730) using proceeds from a Halo (video game) tournament.
2. Sponsoring an organ donor card drive.
3. Assisting the Midland Rotary Club with their Christmas in Action.
4. Raising money for Easter Seals.

We would like to thank the Midland Rotary Club for their support!
