Send a card to one who is serving our country...

www.LetsSayThanks.com

The mission of Let's Say Thanks is to provide a way for individuals across the country to recognize U.S. soldiers stationed overseas. By submitting a message through this site you will send a free personalized postcard greeting to a deployed soldier.

The postcards, depicting patriotic scenes and hometown images, were selected from a pool of entries from children across the country.

All you have to do is click on your favorite design and either select the message that best expresses your sentiment or draft a personal note. The postcards are then printed on the Xerox iGen3[®] Digital Production Press and mailed in care packages by military support organization Give2TheTroops[®].

To date, more than 12,000 postcards have been mailed to soldiers. With the launch of www.LetsSayThanks.com, more soldiers can expect to receive messages from home.

Xerox is committed to helping people across the nation express their gratitude to our troops overseas. The launch of this program is aimed at reminding the soldiers how much Americans appreciate their service.
