In case we find ourselves starting to believe all the anti-American sentiment and negativity...

We should remember England's Prime Minister Tony Blair's words during a recent interview.

When asked by one of his Parliament members why he believes so much in America, he said:

"A simple way to take measure of a country is to look at how many want in and how many want out."

Our Rotary Minute today will discuss Membership. What are the qualifications? How does membership transfer when you move? Can you hold a public office and be an active member? Can you belong to more than one club? Do you know the 2 types of memberships?

Congratulations Jack for being a Rotarian in the News!
It was a great article in the MRT and good publicity for Rotary and Midland West Rotary!

Rotary Day at the UN is Saturday, November 4, 2006

Ellen is working on a trip to the UN for 4 students from LHS. It was announced as a possibility at the Interact Meeting and 4 girls were interested in attending – 5 counting Ankita. The UN will have an entire program for high school youth, and Ellen is very excited about their participation. Let's keep our fingers crossed.

Welcome to Midland West Rotary, Martha and Michael Cowley.

Michael is involved in crude oil transportation with BP. His hobbies include golf, karate and working out. Martha is the new owner of UPS store and enjoys reading. They have an interesting birthday situation. Her birthday is March 20 and his is March 21. They share four children.

In honor of football season and 2nd strings everywhere. Where does the term 'second string' come from?

"Second string" means "replacement or backup" and comes from the middle ages. An archer always carried a second string in case the one on his bow broke.
