

Today's Program

November 21, 2006

Surprise!

We thank you, Lord, for all you give;
The food we eat, the lives we live;
And to our loved ones far away,
Please send your blessings, Lord, we pray.
And help us all to live our days
With thankful hearts and loving ways.

Bill Hubbs

It is with sadness that I must pass along this information. PDG Bill Hubbs from Pecos, Texas, passed away November 13th, 2006. Bill had been hospitalized for a couple of weeks.

Bill served as Governor for District 5730 in 1990-1991. I am sure many of you remember him. Aside from serving our district unselfishly, one thing he is probably best remembered for is the green jacket, which was the "official" jacket for the year he served as District Governor. Bill always wore the jacket to the District Conference.

Literacy Committee Report: Part 1

For the 2nd year our club made a \$200 cash donation to "Newspapers in Education". The committee is convinced that this education tool through our local newspapers continues to provide curricula to thousands of teachers and students right here in the Permian Basin to be used as a bona fide part of their daily classroom studies. We consider the project (and so do the teachers) a magnificent tool to funnel the importance of reading and to consider them as textbooks to study geography, social studies, history, mathematics, science, current events, language and more. This is a third grade level education project. MRT furnishes the newspapers and trains teachers in how to translate the Thursday whole page to students. This is a simple and meaningful exercise with no home work or test.

Coming up: A Storybook Christmas

For the next three meetings, the mankind can money will be dedicated to our server, Jeanette.

A young man named Victor received a parrot as a gift. The parrot had a bad attitude and an even worse vocabulary. Every word out of the bird's mouth was rude, obnoxious and laced with profanity. Victor tried and tried to change the bird's attitude by consistently saying only polite words, playing soft music and anything else he could think of to "clean up" the bird's vocabulary. Finally, Victor was fed up and he yelled at the parrot. The parrot yelled back. Victor shook the parrot and the parrot got angrier and even ruder. Victor, in desperation, threw up his hand, grabbed the bird and put him in the freezer. For a few minutes the parrot squawked and kicked and screamed. Then suddenly there was total quiet. Not a peep was heard for over a minute. Fearing that he'd hurt the parrot, Victor quickly opened the door to the freezer. The parrot calmly stepped out onto Victor's outstretched arms and said "I believe I may have offended you with my rude language and actions. I'm sincerely remorseful for my inappropriate transgressions and I fully intend to do everything I can to correct my rude and unforgivable behavior." Victor was stunned at the change in the bird's attitude. As he was about to ask the parrot what had made such a dramatic change in his behavior, the bird continued, "May I ask what the turkey did?"

Kindergarten Class Turkey Recipes

Lauren First you find a turkey and kill it. Cut it open. Put it in a pan. Pour milk in the pan. Put a little chicken with it. Put salsa on it. Take out of pan. Put it on the board. Cut into little pieces. Put on a rack. Put in the oven for 7 minutes at 10 degrees. Take out of the oven and put eensy weensy bit of sugar on it. Put a little more salsa on it. Then you eat it.

Grace First you add some salt. Then you put it in a bowl. Then you put brown sugar on it. Then you mix it all together with a spoon and then you add some milk and mix it again. And then you put it in a pan. Then you put it in the oven for 15 minutes and 16 degrees. Then you take it out of the oven and then you eat it.
