### Literacy Committee Report: Part 2 - A Storybook Christmas

Another project the committee thought was worth repeating was an award winning (grant) last year. "A Storybook Christmas". It is several years old and the brainchild and endeavor by a local teacher's sorority (Zeta Xi) in our public school system working in concert with community groups to raise funds to choose, order, assemble and deliver over 2,000 brand new books to first graders in Midland County. Our club pledged \$200. The district grant was \$650. Now **we as pledged participants must help with the assembly, delivery and first reading of the book during the first week in December.** This book is issued to each student under guidance of first grade teachers hoping it will be a seed to start their own personal library. Rotary has her "Four Way Test" and Zeta Xi has her "Three Phase First Book Goals: 1. A brand new book of my own, 2. A brand new book for a brand new reader, and 3. A brand new book to open brand new horizons.

Please watch the Roadrunner for further information on how you can get the books ready, and read it to the first graders. We are especially looking for male readers. The teachers are telling us men reading to the little ones has a longer lasting impression, but anyone wishing to be involved, please contact Gene Spires.

For the next two meetings, the mankind can money will be dedicated to our server, Jeanette.
