April is Rotary Magazine Month

Share your issues of *The Rotarian* with the Lee High School Interact Students. Bring your old copies to our meeting and leave them at the front desk.

District 5730 Conference
April 19-22
Amarillo, TX
Registration Forms are on
the back table

CHRISTMAS IN ACTION April 21 thru 28

Ms. Lorraine Hall's home was chosen as our project this year. She is 86 years old and lives at 408 George. We will be replacing the roof as well as the windows and doing general repair and painting.

This is a great opportunity to share with the community, do Rotary work and spend time with your family and friends as we make a huge difference for Ms. Hall.

Meet our newest Rotarian: Cindy Wagler

I was raised in Wyoming until the age of 17 when my father was transferred to Midland with Marathon Oil Co. Graduated from Lee High and went on to get a bachelors degree from North Texas State University. Went on to West Virginia University for a Masters Degree in Clinical Psychology. Worked as a family/substance abuse therapist for many years in Atlanta before returning to Wyoming in 1993. Got involved in the financial/banking business in Wyoming and I am currently employed by Community National Bank.

I have one son who lives in Portland, Oregon. On my own time I thoroughly enjoy cooking and entertaining, learning about local history, community service and reading just about anything. I have been involved with Rotary since 1998 and I am a multiple Paul Harris Fellow and a Benefactor.

Interact Report from Tiffany Blakeley

On April 14 from 8-10am Interact is helping with Keep Midland Beautiful. On April 19th they are working with Midland Fairhavens from 4-8. They are also planning to assist with Christmas in Action.

Letter from Patti Groce, Executive Director - Midland Need to Read -

Thank you Westside Rotary for the donation of 112 children's books. Your contribution is very much needed and helps make it possible for our organization to assist adults who want to achieve literacy. Literacy provides adults with the skills for overcoming dependency on others for reading and writing, for obtaining and keeping a job that pays an adequate wage, and for increasing social and economic interaction in the community. Thank you for promoting literacy in Midland County by supporting Midland Need to Read. Midland Need to Read trains volunteer tutors and provides books and materials for adults who want to improve their literacy skills and their lives.

Thank you for your support of Midland Need to Read and its adult learners. We appreciate our interest and support.

From Bill Morris, Group Study Exchange Chairman

G'day, Rotary mates! District 5730 has a plum assignment for 2008 that may be interest many of you. Our Group Study Exchange next year is with District 9630 in Australia. This district is anchored in Brisbane, extends to the west into the outback of Queensland and is the home of 2007-2008 District Governor Errol Wildman. Errol visited our district after District Governor training in San Diego and promises the exchange will be unforgettable. We've already arranged the travel dates of March 1 – 29, 2008. When Errol was here, he entrusted me with a boomerang that *must* return to Australia with our team. It belongs to his wife Janna, so it *really* does have to go back. You can be the one carrying it back home!

The Team Leader will be a Rotarian who is responsible, energetic and ready for an adventure. You will take the lead in recruiting the team members that travel with you, communicate and make arrangements with Rotary International, lead the team to Australia, bring the team to our District Conference in April, 2008 and wrap up all the loose ends. You will also commit to be on the GSE Committee two years following to provide continuity and leadership.

This is a wonderful opportunity for anyone who wants to expand his or her knowledge of and commitment to Rotary. Are you that person? District 5730 needs a 2008 GSE team leader soon. Planning for the exchange will need to start in the next few months. I'll be at the District Conference in Amarillo and happy to discuss it with you at any time. Thanks!

Men spend their lives in anticipations --in determining to be vastly happy at some period when they have time. But the present time has one advantage over every other--it is our own. Past opportunities are gone, future have not come. We may lay in a stock of pleasures, as we would lay in a stock of wine; but if we defer the tasting of them too long, we shall find that both are soured by age. -- Charles Caleb Colton
