April is Rotary Magazine Month

Bring your old copies of *The Rotarian* to our meeting and leave them at the front desk for the Lee High School Interact Students.

The Rotary flag has orbited the moon with Frank Borman, a member of the Houston Space Center Club, on the Apollo 8 mission in 1968.

Rotarians will have a lot to talk about during breakout sessions at the 2007 RI Convention in Salt Lake City. They'll also have a unique opportunity to hear one of the world's most prominent motivational speakers.

Stephen Covey, the author of the bestselling book *The 7 Habits of Highly Effective People*, is slated to lead a workshop on June 20. Covey's books, which also include *The 8th Habit* and *First Things First*, focus on helping people find ways to be effective and excel in business and life.
