Polio billboard on S. Midkiff

What other people may find in poetry or art museums, I find in the flight of a good drive - the white ball sailing up into the blue sky, growing smaller and smaller, then suddenly reaching its apex, curving, falling and finally dropping to the turf to roll some more, just the way I planned it.

I've always made a total effort, even when the odds seemed entirely against me. I never quit trying; I never felt that I didn't have a chance to win.
