## Governor's Message

### Welcome to Spring in Rotary Land

I am truly pleased to see the development of leadership in our Rotary district. I had the opportunity this weekend to see a truly outstanding crop of presidents-elect come to Dallas for Lone Star Rotary President-Elect Training Seminar. These men and women are truly ready to take membership and service to the next level. Brad Bunn did an excellent job in his session with the incoming presidents; he and Kara will provide outstanding district leadership in the upcoming year. Brad has a great deal of influence already in Rotary; he arranged for International president-elect D. K. Lee to come up to his suite to greet our district's presidents-elect.

Brad will be followed in 2009-2020 by veteran Rotarian and third-year district Rotary Foundation Chair Jim Cole. We are fortunate to have Cesar Caro of Sweetwater lined up to follow Jim.

But this year is far from over. We must now strive to follow the Tulia example, and grow our membership. Tulia has expanded from 14 to 20 members in a town with no population growth. We can take inspiration from the work of Tulia president Cindy Hurt and her dynamic club. Curiously, Tulia's service has grown along with, and maybe even before their membership growth.

Odessa has had an outstanding year in international service, taking truckloads of clothing, bicycles, washing and drying machines into Nuevo Laredo, Mexico. Steve Uslan has coordinated this service project for several years now.

Interested in how these clubs are making good things happen? Come to district conference Friday morning 11Apr in Lubbock and learn what dozens of clubs in this district are doing in innovative service, fundraising, and fellowship. You will not believe what Colorado City does until you hear it from their president Pat on Friday morning at conference.

As a pilot and Rotarian, I invite all to come out to the WWII Glider Museum at Lubbock International Airport Thursday evening 10Apr. You do not have to bring an aircraft to attend this reception. But go to the district website now, [ridistrict5730.org](http://ridistrict5730.org). Password is ri5730. Sign up for the conference and hear some word-class presentations from commercial astronaut Brian Binnie from Mojave, California and Ultra-Marathoner Pat Johns from Dallas, Texas. Meet RI President's Representative David Robinson from British Columbia, Canada.

Bring boots for the Saturday night dance, before which we will have a dance clinic by professional dancer and dance instructor Don Hunnicutt. This district conference will be great fun and a wonderful way to motivate new members about the magic of Rotary. I look forward to seeing you in Lubbock soon.

Michael

Dear Club President,

**The District Conference is just two weeks away and we still need our Rotarians to register.** Please continue to encourage your club members to attend this wonderful event full of surprises and activities. It takes a group of special people to coordinate and setup a conference that is interesting and entertaining, along with long hours and hard work. Our DG, Dr. Graves, has made it his goal to make this conference special and be all about the Rotarians and clubs that make a difference in our district.

I've asked you to submit the name of the Rotarian in your club that embodies **Service Above Self** and you have responded. Now I'm asking you to encourage that Rotarian to be present on **Saturday, April 12, 2008** to receive this distinguish award from Dr. Graves. What better recognition than to be honored before your peers? Additionally, you have submitted a brief description of your **Most Significant Project**. The project, local or international, will be recognized at the conference. **You**, as club president, will have a chance to brag about it and receive an award on Saturday. **Your presence is so important.** If you cannot attend, delegate and have your secretary, your vice-president, your PE or any other Rotarian in your club represent you and your club. There is still time to sign-up for the conference, so do it today! As I had e-mailed earlier, there are ways to get the nominee to attend the District Conference:

- 1. Have the club pick up the tab for the registration (\$10.00) and the luncheon (\$20.00) in support and honor of the nominee (you must do this as soon as possible) and,**
- 2. Offer to give the nominee a ride to the District Conference and demonstrate the clubs support by having fellow members attend the event. (SOME CLUBS HAVE ALREADY DONE THIS).**

The district had requested that every club in the district donate a gift to be auctioned during the conference. I hope that your club has voted to do so. Please take the gift to the conference. The money benefits the District and our Rotary Foundation.

I can never say enough to **thank you** for all the work that you have accomplished this year as Club President. Let one of your last acts as leader make a difference at this year's conference and let's have fun!

In Rotary,

César  
Lieutenant Governor

# NORTH TO ALASKA *with RI District 5730*

THIS YEAR – for our eighth **ROTARY DISTRICT 5730** cruise we are going back to the great state of **ALASKA**. This time, we will do the Southbound "**Voyage of the Glaciers**" cruise from Whittier, Alaska to Vancouver, British Columbia. In addition to this unforgettable 7-day cruise, we are also offering our group two very different, very fascinating 6 or 7 day pre-cruise land excursion options and some outstanding post-cruise hotel packages in and around Vancouver. There will be ports-of-call in Skagway, Juneau and Ketchikan and plus three wonderful days at sea cruising College Fjord, Prince William Sound, the Gulf of Alaska, Glacier Bay National Park and the Inside Passage. You will see and experience all of this while traveling in luxurious comfort aboard the incredible mega-ship, the **Sapphire Princess**.

### The DISTRICT 5730 CRUISE AND RAFFLE

Several years ago Rotary International District 5730 initiated this fund raising project to increase their District's contribution to The Rotary Foundation. The result has been that over \$1,600,000 has been raised by District 5730 in just seven years. Paul Harris Fellowships have gone up dramatically and scores of Rotarians (plus many of their friends and family members) have a wealth of memories to treasure from their participation in one or more of these Rotary District 5730 cruises. Remember that it is the your participation in both the **cruise** and the **raffle** that has made this endeavor so successful. **Space on this incredible voyage is limited so please make your reservations as soon as possible to avoid not getting the cabin accommodations or dining time you desire.**

## Cruise Information

**Embarkation date: August 16, 2008**

## District Reports

### District Nominating Committee Reports

The District nominating committee is chaired by PDG Roger Sepulveda and consists of fellow PDGs Ted Holder and Charles Cotton, and past presidents Cindy Hurt of Tulia and Ken Winkles of Pecos. This committee last week reported its selection as nominee for District Governor for the 2010-2011 Rotary year.

Selected was our lieutenant governor, past president of the Sweetwater club, and veteran AG Cesar Caro. I have been blessed to work alongside Cesar for many years. An alumnus of the Rotary Foundation, he met Rotary as a GSE team member in 1998 to Brazil. In no time he had joined Rotary, took over the Sweetwater leadership, and soon led a GSE team to Brazil in 2002 for our district. Cesar is a dedicated husband, father and grandfather. He is a former paratrooper and tanker in the Army, retiring as a Captain.

Cesar is a charter member of the District 5730 Paul Harris Society. Cesar, his wife Lucy, and all three daughters are Paul Harris Fellows of the Rotary Foundation. Cesar is bilingual and a true officer, gentleman and Rotarian.

# District Conference Speaker Friday

**Brian Binnie** ★ Biography    ★ Presentations    ★ Testimonials

On a calm October morning in 2004, with the eyes of the world watching, test pilot Brian Binnie climbed into Burt Rutan's SpaceShipOne. He emerged an hour and half later, a civilian astronaut, having secured the \$10,000,000 Ansari X-Prize, breaking the world altitude record held by the X-15 and paving the way for the future of commercial space transportation with Sir Richard Branson's Virgin Galactic Spaceline.

During his one hour presentation, Brian discusses the personal and technical challenges of this incredible project. His narration is enhanced with many photographs and incredible video of the project and award winning flight into the black sky! He brings to life the dreams, desire, and determination to make an 'Impossible' project like SpaceShipOne a reality.

This program is perfect for museums and university lecture series, or for a kickoff or closing presentation for your conference. Attendees will leave the room ready to conquer their own challenges with the same can-do spirit that continues to stimulate and encourage remarkable talents like Brian Binnie.

*"And when you turn that rocket motor off you literally step across a threshold into another realm. A realm of blessed peace and quiet and the instant karma afforded by weightlessness." — Brian Binnie*

Brian is multi-faceted, and his talents don't stop at astronaut, test pilot, or program business manager. You may have seen Brian alongside Burt Reynolds in the popular "Man Law" commercials for Miller Lite.

Brian Binnie has many degrees and awards from 20 years of service as a Naval Aviator. He is currently a Program Business Manager and Test Pilot at Scaled Composites, LLC. The SpaceShipOne is now on permanent display in the National Air & Space Museum.

Pat Johns will take your organization to the top! An expert motivator, Pat works with organizations that want to fast forward their performance, productivity and profits. Running over 60 marathons and ultra marathons globally, Pat finished the 2005 *Himalayan 100*, as the single figure in history to complete the high-altitude 100 mile running race four times. This perspective has formulated his compelling, dynamic and vibrant presentations. However, Pat's message is not simply about running, it's about how people change when they choose to do difficult things. An award-winning corporate leader, he translates his exceptional endurance message to business and to life!

Pat is as results driven as his clients, Hank Bashore, Chairman of The Board of Directors, of the American Red Cross, confirms: *"He makes you realize that you can do it too."*

From Carol Neves, Director, Office of Policy & Analysis, of the Smithsonian Institution: *"His presentations are well-managed processes that produce visible changes."*

Committed to excellence, Pat brilliantly tailors his presentations to meet client's goals and objectives while working seamlessly to incorporate their theme, company identity and logos. Clients concur:

*"In addition to Mr. Johns offering a fantastic and meaningful presentation, I was equally grateful for the amount of time and effort that he obviously spent in preparation for this event. Pat was involved from start to finish to help insure that our Executive Association Day was a big success."* Laura McKinney, CAE Director, Membership & Chapter Relations, IAEE - International Association of Exhibitions and Events™.

Pat Johns inspires, enlightens, energizes and entertains audiences by magically weaving his incredible photographs and stories with powerful insightful beliefs delivering a call to action to step out of the COMFORT ZONE to discover genuine fulfillment professionally and personally.

## International Fellowship of Flying Rotarians

### IFFR Americas, South Central Section

#### Fly-In to Midland and Lubbock Texas April 10-12, 2008

Burt Rutan's commercial astronaut Brian Binnie will be our district conference's featured speaker at lunch on Friday. This is a rare opportunity to hear and meet the man who took SpaceShip One on its first as well as its final missions. Our Saturday speaker at lunch is adventurer Pat Johns, the only one to have finished the Himalayan 100 mile multiday stage race Four different years.

This is a glimpse of what is in store for those who attend the district 5730 district conference in Lubbock Texas the weekend of 10-13APR08. We extend the invitation to our flying Rotarians worldwide to attend this tremendous event, replete with a fly-in for the pilots, a show and shine car show for the auto enthusiast, a RV's reunion for those who love to travel with their RV's, a motorcycle show and ride for those with motorcycles, a golf tournament for those who love to come and play a new course, and last, but not least, following Brian Binnie's noon presentation on Friday, a Rotary Fashion Show at Bergman's exclusive clothing store. We will have something for everyone, from a gathering and fly-in commencing at the WWII glider museum at Lubbock International Thursday afternoon and evening, to airplane rides for youth ages 8 to 17 Saturday afternoon, to glider orientation and rides for the flying participants Friday afternoon. Meeting business will be taken care of with dynamic programs Friday and Saturday mornings. Afternoons will be special interest events outside of the meeting halls, and many out-of-doors. Plan to bring your classic car, motorcycle, aircraft, golf clubs.

And boots. We will conclude the conference with a country-western dance after dinner Saturday night.

This will be a district conference to remember.
